Jared,

Thank you for getting back to us with potential times to talk. We could talk this Thursday, 11/7, between 1 and 2 PM, but please keep in mind that both Allison and I have firm commitments for 2PM calls on other matters. We have quite a bit more flexibility for the morning (any time) of Wednesday, 11/13. Just let us know what your preference is. Thank you, Daniel

Good Afternoon Daniel and Allison,

To reschedule the conference call, do either of:

Wednesday 11/6 from 12 to 1:30 or after 4:30; or

Thursday 11/7 1-2:30 work for you?

Or could we try early next week?

Thanks,

Jared,

Not a problem at all. Allison and I are generally around next week, except Friday, November 8th. For Tuesday and Thursday of next week, afternoons are generally better. Just let us know a couple of times that might work for you. Thanks, Dan

Jared,

Attached please find Super Salvage's response to EPA's information request. Please note that I'm sending you two versions of the response; the original response (including the attachments to the response) which came in as two separate pdfs and the second version which only contains the responses to the questions (with corrections to the references to the attachments as noted in the email below).

Now that we have this information it may make sense for you, Allison, and I to have a call. Allison and I are both free next Friday, November 1st—might you have any availability for a conference call on that day? If not, please let us know what might work for you. Thanks, Dan
